

OUR EXPECTATIONS OF YOU

Tanner Industries, Inc. expects that you will:

- **Receive, store, handle, use and dispose of our products in a manner which protects people and the environment.**
- **Effectively maintain, manage and communicate all product hazard information received from us to your employees, contractors and customers. This information may include, but is not limited to, Material Safety Data Sheets (MSDS), Storage and Handling Brochures, Guides and Technical Data.**
- **Meet or exceed all legal requirements (including training) regarding the receipt, storage, handling, use and disposal of our products such as, but not limited to OSHA, DOT, EPA and DHS regulations.**
- **Select suppliers, carriers, distributors and terminals based in part on their safety, health and environmental performance.**
- **Ensure that products shipped by you are in containers selected, maintained, filled, secured, marked, stored, inspected and transported in compliance with legal requirements.**
- **Notify us of any incidents (e.g. spills, injuries) associated with the receipt, storage, handling or re-shipment of our products.**
- **Ensure sound waste management policies and procedures are in place**
- **Work with us to improve the safe and environmentally sound distribution of our products including a periodic review and evaluation of performance against these commitments and expectations.**
